To  
The Managing Director,  
Punjab State Cooperative Agriculture Development Bank  
Head Office, Bank Square  
Sector 17 B  
Chandigarh

Dear, Sir,

Banking Plan for the centrally sponsored water harvesting scheme for SC/ST farmers

Please refer to our letter no. NB/CHG/ICD/WHSI/2004-05 dated 18th November 2004 conveying a programme for implementation under the above scheme. We are yet to hear on the progress made by you in financing the units under this credit linked subsidy assistance programme. As you are aware, the programme devised by the GOI is expected to bring in far reaching benefits for the agriculture sector by enhancing production capabilities of numerous farms of SC/ST farmers. As the development works for the year needs to be completed before the onset of monsoon, we request you to once again appraise your branch managers to take necessary steps to popularise the scheme among the eligible farmers within their operational area. It is needless to mention that there are large number of eligible SC farmers in all the districts in the state. The list containing number of SC Farmers in some of the districts collected by us is enclosed for your information. However, you will, perhaps, agree that your branch manager could easily collect information about potential borrowers within his operational area.

We also request you to advise us the progress under the scheme. For enabling you to claim subsidy from us, we are enclosing a copy of the prescribed format.

Yours faithfully,

( D V Deshpande )  
Deputy General Manager

THE PUNJAB STATE COOPERATIVE AGRICULTURAL DEVELOPMENT BANK LTD.
